Spring Term 2020

Dear parents and carers,

Welcome back and Happy New Year! The staff and I would like to thank you for all of the Christmas cards, gifts and kind wishes. We are very pleased to see everyone return safely to school after the Christmas break and I hope that you have had a good start to 2020. The children have returned excited and enthusiastic to continue with their learning and an eagerness to be back in school. This week classes will be looking at New Year's resolutions and how we can make a 'fresh start' - the older children are focussing on how they can challenge themselves and develop new skills. The key focus across Lisburne School is to improve our children's independence.

There has recently been an increase in the number of children with sickness / diarrhoea and other illnesses. The Local Authority have clear guidelines included in our health and medications policy and as we have a number of vulnerable children in school we would appreciate your support reducing the spread of infection. Can we please make clear that children need to be off school for 48 hours after the last sickness or loose bowel movement to ensure that they do not spread any infection or illness.

We will be holding a **Red Disco on Wednesday 12th February 5:30-7pm**, it's always a fantastic evening which we would like to see as many of you as possible attend the event raises money for the children at school. Tickets will go on sale in a few weeks.

Please continue to look at the School Dojo/ Tapestry and view our website for all our new themes, class news and what's happening in our exciting lessons this coming term. As always you know you can contact me if you have any concerns. I look forward to seeing many of you throughout the term. Thank you for your continued support, help and cooperation!

WARNING...Cold Weather Alert !
Please can we ask that all children come into school dressed appropriately for the cold weather this term. If there is heavy snow or a severe weather warning, please can we ask you to check the Lisburne website or Tapestry and Dojo for information regarding possible school closure.

Lisburne School
