

PE Funding Allocation 2020 -2021

Total Income £17310

Initiative	Activity	Spend
SHAPE (Stockport Schools Health, Activity, Physical Education & Sport Alliance)	Being a member of shape will enable us to continue to attend competitions across a range of physical activities eg bocchia, golf & athletics. We will be able to enter the Be Inspired competitions held during the Spring/Summer term. We will have support with regards to reporting to Sports England on how we allocated our PE funding.	£ 330
Jump Space Rebound Therapy	To enable pupils to access rebound therapy, support gross motor skills development, balancing & communication skills of the pupils attending.	£8464
Swimming Sessions	To increase the number of pupils attending swimming sessions to experience opportunities in water in a swimming baths environment to prepare them for swimming lessons.	£ 985
Physical Activity Sessions	To provide opportunities for pupils to attend off site venues to experience physical activities to promote movement and gross motor skills.	£ 985
Dance Festivals/ Performances	To enable pupils to participate in dance festivals and performances.	£ 250
Outward Bound Activities during Sports Week	To allow pupils to try new physical activities in an outdoor environment. This will support pupils physical and communication development. (The spend includes carry over of £1393 from 2019/2020 due to sports week not going ahead – coronavirus).	£1965 £ 572 (20/21)
Sports Week	To enable pupils to participate in a variety of activities that are not accessed through PE curriculum lessons eg tumble track, Taekwondo etc.	£1000
Resources	To purchase new resources and replenish existing resources.	£2000
Transport	To hire additional transport to participate in external activities/competitions with other schools.	£ 300
Sports Coach	For an external coach to deliver a range of PE/sports sessions during Spring/Summer terms across the setting.	£2000
Training	For training to be delivered to all staff with support from OT	£ 200
Assessment	To devise & implement new assessment tool to assess pupil's development (to replace life after P Levels)	£ 75
