

# Autumn term 2020

## Bay Class

### English

**Sensory stories:** We will be exploring sensory stories, such as Handa's Surprise, The Snail and the Whale

This half term we will be looking at sensory stories in line with our topic of animals around the world. We will be working on our writing, mark making and reading targets and individual speaking and listening targets. We will be using drama and engagement techniques to immerse ourselves within the story. We will also be looking at the book "Here we are".

### Topic

What different animals are there around the world?

During our topic this term, we will be investigating different animals around the world. In line with our stories we will be looking at different animals in the stories we read. We will be getting hands on with this art base topic creating different animals out of a range of different materials.

### Maths

**Number:** We will be exploring counting lots of different objects. Looking at counting in the outdoor environment. We will also be incorporating fine motor activities with pom-poms, Cheerio's and pipe cleaners to help with our number skills.

**Measure:** This term we will be exploring comparative language such as big/ small, heavy/ light, full/ empty and looking at matching.

**Geometry:** We will be focusing on exploring and sorting different 2D shapes and making patterns.

### Other subjects

**PE:** Gymnastics

**Science:** States of Matter

**PSHE:** Social and Interaction

**Cookery:** Stirring, mashing and tearing

**Computing:** Digital Literacy
