

Pine Class

Autumn termly overview

English

- Finding, exploring and listening to stories.
- Interacting with a text by finding characters and joining in with repetitive phrases.
- Exploring the sensory story
- Use writing in different situations, making meaningful marks. Tracing, overwriting and copying pre writing shapes. Name writing.
- SALT will be part of our whole curriculum. Children will also have individual focus speech sessions working on individualised targets.

Maths

- 1:1 correspondence , making and counting groups of objects
- Measuring through capacity. Water play, filling and emptying containers. Sorting and comparing big and small containers.
- Explore shapes through handling and grouping. Use pliable material to change shapes by scrunching squashing rolling and pressing .
- Can copy movements, shapes and patterns. Identifying shapes from a selection.

Topic– We are explorers, where are we going?

- We will explore different ways of travelling through sensory trays: land, sea and sky.
- We will immerse ourselves into different areas of the world through DEAL, roleplay and sensory experiences. Exploring the jungle, desert and arctic.
- We will look at similarities and difference in these areas of the world, from weather, animals, music and foods.
- We will use our pupil voice to show our preferences and perform simple comparisons.
