WORKING WITH YOU TO EMPOWER & SUPPORT

We will assist you to...

- Complete application forms, including DLA, charity requests and support letters.
- Support at home and in the community.
- Regular signposting and video learning - including Makaton, sleep, feeding ETC
- MASSH referral - short breaks
- Providing information on local services.
- Liaise with you and other professionals.
- Working closely with teachers and class teams in relation to your child's education and wellbeing.

Together we can do this.

Transition through school

Entering Lisburne we will...

- Liaise with the current educational setting.
- Visit the family at home to offer/gain information.
- Organise visits to Lisburne to aid the transition process.
- Ensure each child has a transition booklet prior to starting at School.
- Pass on all health, educational and personal information to the class teacher/teams and other professionals as required.

Leaving Lisburne we will...

- Work Closely with the class teacher/team and family to aid a smooth transition period.
- Accompany parents/carers with Year 5 secondary school visits as requested.
- Attend the year 5 transition review
- Assist Year 6 transition visits and accompany the child/children if needed.
- Organise transition booklets/information.

We're with you every step of the way.
